

Recognized as the World Leader in Animal Chiropractic

AMERICAN VETERINARY CHIROPRACTIC ASSOCIATION

DONATIONS TO Sharon L. Willoughby Blake, DVM, DC Memorial AVCA Conference Scholarship

The Sharon L. Willoughby Blake, DVM, DC Memorial AVCA Conference Scholarship is an affordability scholarship opportunity. The purpose of the scholarship is to help AVCA Certified Members without adequate funding to attend the annual conference and obtain the professional development that the AVCA Annual Conference provides.

This scholarship is made possible by individual contributions to honor Sharon L. Willoughby Blake, DVM, DC, founder of the American Veterinary Chiropractic Association and modern day animal chiropractic.

An affordability scholarship will be awarded and will provide a Conference Registration to an AVCA Certified Member Doctor who faces financial limitations.

Scholarship is based on the financial need, membership status, certification status, contributions to the profession, and potential to give back to the profession. Scholarship is awarded to cover the conference registration fee. Scholars are responsible for their travel, food, lodging and any costs associated with field trips, labs/workshops, the Saturday banquet, guest tickets, and merchandise.
